WOW, FREEDOM FIGHTER FANATICS!

It's been two months since we've had a chance to rap with Sonic's "Sonic-Grams." I'm happy to finally report that I have no goofs, mistakes or foibles to account for...at least none that I've found! If you find any, be sure to write and let me know! (But don't tell Managing Editor Victor Gorelick—he's still angry with me from last February when I stole his ham sandwich!) Hey! I just realized—with no mistakes to report, I won't have to see any more of former editor Paul Castiglia's smiling face. Hmmm...Somehow, I think he'll be back!

Scott

P.S. Keep reading Sonic's adventures for announcements on Sonic The Hedgehog's "In Your Face" 48-page special comic book edition, and the big plans we've got in store for Princess Sally! Keep on juicin'!

SORRY, PAUL!

LONGER THE EDITOR!
SO, SCRAM!!

Dear Sonic,
I'm Ben Fraser. I love reading your comic and watching your show. I probably have almost every comic you have made except for about two. I think your show is very cool. I have shoes with you on them, and when I wear them I go really fast. I think Tails is cute but Sonic is definitely my favorite Freedom Fighter. I call Robotnik "Robuttnik." I don't have Sega Genesis or Game Gear, but love playing your games every time we go somewhere where your game is. I have a chapter book that says you are fifteen in it—is that really true? I have sent you some pictures for Sonic Art, but they haven't shown in your comics. I am working on a black and white picture right now. How do you turn into Super Sonic in Sonic 3?

Ben Fraser
Cranbrook, BC

Hey, Ben! It's me, the ol' Blue Blur! Yup, it's true, I'm fifteen years young! Here's how I turn into Super Sonic in Sonic 3: First, make me search the levels, look for the giant ring and make me jump through it. Once I've done that, I will appear on a sphere (ball-shaped figure) with a checkerboard pattern on it. I have to then collect as many blue spheres as indicated. Then I must collect 7 emeralds (one per checkerboard sphere). As you continue to play, have me collect 50 rings, make me jump in the air, and KA-ZAMM! I turn into Super Sonic! Whew! Don't tell anyone, Ben! It's a secret!

Dear Sonic,

Hi, I'm Rhionna Widener of Churchville Chili Middle School. My fellow 7th graders and I have a few, well four to be correct, questions to ask you. 1. What kind of animal is Sally? 2. If Antoine is a fox, where's his tail? 3. What made Bunnie have a robot arm and legs? 4. In the Saturday morning cartoon Sally's a brownish color. Why is she pink with black hair in your comic?

Rhionna Widener

reading this comic book for exciting news on Princess Sally!

Dear Sonic,

Is Sonic's friend Knuckles going to turn away from Robotnik's side one day, or fight Sonic forever? I would like Sonic and Knuckles, including Tails, to get together and finish Robotnik. Oh, by the way, why don't your editors put posters in the book?

Jabari House
Eastover, SC

Right now, Sonic and the Freedom Fighters don't know whether Knuckles is friend or foe! Keep reading Sonic's comic book adventures for details on Knuckles' return! As for posters...your wish is our command! Check out future issues of Sonic for details of Sonic's "IN YOUR FACE" 48-PAGE SPECIAL, COMPLETE WITH A FULL COLOR PULL-OUT POSTER! YOWZA!

Hey, Rhionna!

Editor Scott, here!

1. Princess Sally Acorn is a **SQUIRREL**.

2. Antoine gave his tail to "Tails" so he could have two to fly! (Try saying that three times fast!)

3. Sonic saved Bunnie Rabbot from being "roboticized" by Dr. Robotnik, but not before she gained some robotic parts.

4. When Archie Comics first published Sonic's comic book adventures, there was very little design material available on the Freedom Fighters, but now with the Saturday morning cartoon brightening everyone's weekend, you'll find that Sally looks the same here as she does in those wonderful animated adventures—just check out this issue! P.S. Keep

Dear Sonic,

Sonic The Hedgehog comics are way past cool! I love to draw all the characters from the comic. Knuckles is too cool in Sonic 3. I'm going to be in high school soon and my friends say I'm a Sonic freak. I got mad at one boy and punched him in the nose at school. Now they call me Sonic, but I can't run that fast. I only do the 100 meter dash in thirteen seconds, but that is the best in the district.

Yenus Nguyen
Hermiston, Oregon

You punched a boy in the nose, and now they call you Sonic? I think they should call you Knuckles! Sonic says: "It's not way cool to punch someone, unless it's Robotnik! But it's awesome to run track! Keep on juicin' and no more brawling!"
